£1.375	£1.385	5.70%
£1.385	£1.395	6.00%

Please note that the above will be applied one month in arrears, i.e the monthly average fuel surcharge (e.g. May) will apply to invoices dated the following month (June). Should the price of fuel rise higher or fall lower than the above levels the surcharge applicable will be reviewed.

We use the monthly Fuel Price Reports from the AA as the basis of the escalator scale, as this is available to view on the internet:
